With Instructor Bob Rodriguez

After lengthy and rigorous instructor training programs at Arthur Murray and Fred Astaire dance studios in Lakewood and Carson respectively, our instructor Bob Rodriguez taught, performed and competed with both students as well as fellow dance professionals for many years throughout California, Nevada and Arizona. Bob is a recipient of numerous awards and distinctions in both ballroom and Latin dances during his first ten years as a dance professional. Bob is a committed devotee to the world of ballroom dance, and continues to teach both private as well as group lessons.

Whether swaying to inviting Latin Rhythms or dancing across the dance floor to infectious swing or boogie beats, treat yourself to a fun filled course in Cha-Cha, Rumba and Mambo as well as the king of Swing dances, the tailored and fun filled West Coast Swing. Start slow and pick up the pace at your own comfort level. Imagine, same sex ballroom dancing.....how absolutely phenomenal!
